Dean,

Yes, we should target Monday for the Q&A. And yes, do take a vacation off the grid. You have

earned it! Thanks for all your help. Tom

Tom Huetteman, Assistant Director

Land Division, EPA Region 9

Also, trying to get an actual day off, as I've been literally working every day since the Gold King Mine release on Aug. 5, including weekends. Also now looped into the Saipan Typhoon Response, involved in daily calls on that situation.....so was hoping to totally go "off the grid" on Friday.....we'll have Nahal back from vacation tomorrow, and hoping she can help with covering Gold King.....which will help me a lot.....

Thanks!
